

**THIS SPREAD** Beauty lies in the details and Burma Burma has plenty of them. The artefacts are sourced from Myanmar and depict prominent arts and crafts of the regions. From lacquerware that is a popular ethnic industry in the region to papier-mache toys that one will find in the pagoda markets, the restaurant offers an immersive experience that will win the hearts of travel bugs.

# Taste of Burma

With the new Burma Burma, interior designer Minnie Bhatt shows how a strong cultural narrative can be spoken in a refreshingly new design language, in the end treating Bengalureans to an exclusive taste of the Myanmar culture.
